

## BRESSER Laser Rangefinder & Speedmeter WP/OLED 6x24 - 800m

PRODUCT CODE : 3012

- Rangefinder for hunting, golfing, water sports and other outdoor activities
- Illuminated reticle inside for measurements during twilight or night
- OLED display inside in the field of view / live mode displays changes in distance directly / requires 1x CR2 battery (not included)
- Rangefinder Dimensions: 107 x 42 x 75 mm / weight: 220 g
- Scope of delivery: distance & speed indicator, belt pouch, lens cloth, neck strap, manual

The **BRESSER Rangefinders** determine within fractions of a second by **laser** (harmless to the human eye) the exact distance of the targeted object of up to 800 meters, either in meters or yards.

The 6x24 OLED has an additional **speed measurement** of up to 300 km/h. The 6x24 OLED also offers a live mode for the **distance measurement** and an illuminated reticle which allows also measurements in twilight. With the LiveView function changes are shown directly in the display and the illumination is dimmable in 32 steps.

The compact size, the extremely low weight and ease of use make the **Bresser range finder** the ideal companion for hiking, hunting, golfing, out at sea, in the stadium or for all kinds of other outdoor activities.

### FEATURES

- laser distance measurement
- illuminated reticle dimmable in 32 steps
- range: up to 800 m

## **Technical Data**

Type Binoculars with rangefinder

### **OPTICAL SPECIFICATIONS**

Magnification 6  
Mirror/Lens diam. 24 mm  
Colour of coating green  
Field of view at 1000M – 122.5M  
Near focus from<sup>2</sup> 4.5 m

### **DISPLAY OPTIONS**

Display without compass  
Distance Meters  
Speed km/h

### **ELECTRONICS, HARDWARE & SOFTWARE**

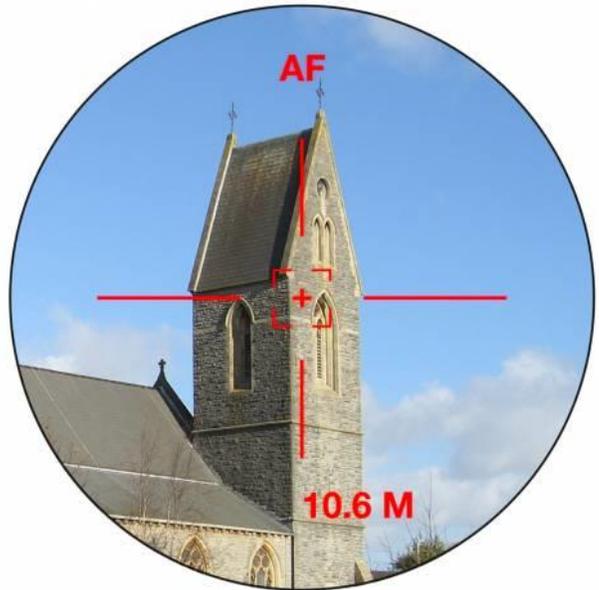

Batteries needed<sup>2</sup> 1x CR-2 Lithium, 3V  
Laser class/type Class 1 (harmless to the eyes)

### **GENERAL TECHNICAL DATA**

Water-repellent ✓  
Colour green  
Body material Plastic  
Focusing system Individual eyepiece focus  
Single eye adjustment ✓  
Eyecups Rubber eyecups, fixed  
Measuring range 5 (m) from  
Measuring range 800 (m) up to  
Body armouring Plastic, rubberized

### **DIMENSIONS & WEIGHTS**

Total length 107 mm  
Total width 42 mm  
Total height 75 mm  
Net Weight total 220 g (incl. accessories)

<sup>2</sup> The batteries are not included in the delivery. Please, use only the batteries that are recommended. Take a particular attention to the safety instructions written in the user guide.
